RE: Donation of Bench and Plaque

The Parks and Recreation Department has been offered the donation of a bench at Black Hoof Park Disc Golf 18-hole course with a plaque.

This request is from Justin Robertson to donate a new bench at Black Hoof Park 18-Hole Disc Golf Course. Mr. Robertson is looking to dedicate the memorial bench as a disc golf enthusiast. Mr. Robertson has a form of arthritis that requires movement to slow the progression of his disease as he rides on a cart with a seat to play the game he loves. He requests the bench at short hole #13.

The total value of the donation is \$1,300, which includes the installation by the Parks Department of the bench, concrete pad, and a honey bronze plaque. The attached picture shows the bench location at Black Hoof Park.

As per policy, requested wording for the plaque is:

In Honor of

PinkCoder

I recommend acceptance of this donation. Thank you.
